You may download, view, copy and print documents and graphics incorporated in these documents from this Web site solely for personal, informational, non-commercial purposes. Except as expressly provided herein, you may not use, download, upload, copy, print, display, perform, reproduce, publish, license, post, transmit or distribute any information from this website in whole or in part without the prior written permission of Lubs Technologies, Inc. All other company, product or service names referenced in this website are used for identification purposes only and may be trademarks of their respective owners.

All documents linked as printable brochures on all product web pages were created by the respective product's company; Lubs Technologies, Inc. did not create any of these documents. Only those documents about Lubs Technologies, Inc. located in the Links & Data web page as well as any job description postings on the Career web page were created by Lubs Technologies, Inc. These documents are for information purposes only. If you have any questions regarding the information in these documents, please contact the specific product's company.

In addition, the pictures on the website came from vendor websites or were a picture taken by a Lubs Technologies, Inc. employee. The sole purpose of all pictures used is for visual aids to the information provided in text.

Lubs Technologies, Inc. is not responsible for and does not endorse or accept any responsibility over the information posted on third-party websites, also known as our vendor websites that are located on our Links & Data page of the website. The purpose of having these website links is strictly for the convenience of the user to find more specific information about that vendor beyond what we have included on the Lubs Technologies, Inc. website if he or she wishes to do so.

Lubs Technologies, Inc. may collect information about your use of its website through capabilities available in its web server or in your browser. If you submit information about yourself or your business to Lubs Technologies, Inc., it will only be used internally for the purposes of Lubs Technologies, Inc. sales, support or marketing and will never be shared with third parties without your specific agreement.

We welcome any recommendations for improvements on our website! In addition, if you have any questions or concerns regarding the Lubs Technologies, Inc. website please contact our marketing coordinator at 317.357.8721. Thank you.
